

**Ignited Innovators of India**  
Bhau Institute of Innovation, Entrepreneurship and Leadership  
College of Engineering, Pune 411005

---

**BHAU institute of Innovation, Entrepreneurship and Leadership**, an organisation which is a part of our college promotes entrepreneurship, leadership and team building skills amongst college students by sponsoring and mentoring various social projects. “Ignited Innovators of India” is a unique competition conducted under BHAU Institute in association with Eaton, wherein students from various institutes from all over India are encouraged to implement social entrepreneurship projects.

This year more than 250 projects done by groups of 3 – 4 students were funded and mentored. Thirty shortlisted projects will present their work and the winning top two projects from 7 different segments will be awarded.

**‘Valedictory ceremony’** of Ignited Innovators of India is on 3rd April 2015. We will be extremely honoured to have you in our .

BHAU institute eagerly awaits you to grace the event with your presence.
