

Department of Metallurgy and Materials Engineering
COEP Technological University Pune

Workshop / STTP/ FDP/ Conference ORGANIZED

Sr. No	Name of the workshop / Conference / Seminar	Name of the Faculty	Duration and Period	Type
AY 2019-20				
1	High Strength and Corrosion Resistant Aluminum Alloys	Dr. Rajeev Gupta, Dr. S. P. Butee	21-Jun-19	Seminar
2	A Ion Beams: A Materials Perspective	Dr. Saumitra K Vajandar, Dr. S. P. Butee	4-Jul-19	Seminar
3	PROF. BRAHM PRAKASH MEMORIAL MATERIALS QUIZ 2019,	S. B. Sarkar ,CEO, Engineering and Technology and Dr Madhu Ranjan, Chairman IIM Pune Chapter.	5th August 2019	Workshop
4	Monitoring and Control of Blast Furnace	Prof. Deepak Moghe, Metallurgy and Material Engineering Department, V.N.I.T., Nagpur, Prof. V. T. Thavale	7-Sep-19	Seminar
5	Metallurgy of Tire Cord Steel	Prof. Deepak Moghe, Metallurgy and Material Engineering Department, V.N.I.T., Nagpur, Dr. V. Poddar	9-Sep-19	Seminar
6	Customization of nanomaterials for advanced applications	Dr. Priyesh More from DIAT, Prof. Rishika Verma	23-24 Sept 2019	Seminar
7	Powder Metallurgy Short Course (PMSC-19)	N.B. Dhokey, S. P. Butee	26-29 Sept 2019	Short course
8	FDP on” Nanomaterials- Synthesis, Properties and Characterization”	M. J. Rathod, Rishika Verma, V. S. Poddar	16-20 Dec 2019	FDP
9	National Symposium on “Opportunities and Challenges in Materials for Energy Generation and Storage for Electric Vehicles”	S. P. Butee, N. B. Dhokey, V. S. Poddar	3-4 January 2020	National conference
10	Modelling of Engineering Materials	S. P. Butee, N.B.Dhokey, P. G. Ranaware, V. S. Poddar	6-7 March 2020	Workshop
11	14 th Dr. Dara P. Antia Lecture: Prof. Sadoway	S. P. Butee, N.B.Dhokey	11-Sep-20	Seminar

Department of Metallurgy and Materials Engineering
COEP Technological University Pune

Workshop / STTP/ FDP/ Conference ORGANIZED

Sr. No	Name of the workshop / Conference / Seminar	Name of the Faculty	Duration and Period	Type
--------	---	---------------------	---------------------	------

AY 2020-21

Sr. No	Name of the workshop / Conference / Seminar	Name of the Faculty	Period	Type
1	Powder Metallurgy Short Course (PMSC-20)	N.B.Dhokey, S. P. Butee, V. S. Poddar	26-29 Sept 2020	Short course
2	Wire Drawing Fundamentals and Testing	Shishir Desai, Dr. V. S. Poddar	29-Oct-20	Seminar
3	Composite Materials and its Application	Dr. R. K. Goyal, Prof. M. G. Kulthe	28-Oct-20	Seminar
4	Introduction for nanomaterials and nanotechnolog	Dr. R. K. Goyal, Prof. R. Verma	4-Nov-20	Seminar
5	Extraction of rare earth metals	Dr.P. R .Khangaonkar, Dr. A. M. More	3-Nov-20	Seminar
6	FDP - Advances in Thermo-Mechanical Processing of Materials (ATPM-2020)	Dr. M. J. Rathod, Dr. A. M. More, Dr. P. G. Ranaware	14-18 Dec 2020	FDP
7	3D Printing and Design: Future skill technologies	Dr. S.P. Butee, A. P. Pacharne	27 Feb- 30 Mar 2021	Workshop

AY 2021-22

1	PM Short course	Dr S P Butee, Dr V Poddar, Dr N B Dhokey	25-28 Sept 2021	Short course
2	AICTE ATAL online FDP in Future skill technology on 3D printing and design	Prof. S. P. Butee, Mr. Appasaheb Pacharne	29 th Nov.- 3 rd Dec. 2021	FDP
3	Int. Conference on Powder Metallurgy	Dr N B Dhokey	18-20 April 2022	International conference

Department of Metallurgy and Materials Engineering
COEP Technological University Pune

Workshop / STTP/ FDP/ Conference ORGANIZED

Sr. No	Name of the workshop / Conference / Seminar	Name of the Faculty	Duration and Period	Type
--------	---	---------------------	---------------------	------

AY 2022-23

1	“Powder Metallurgy Short Course 2022” (PMSC 2022)	Dr. Vijay Thavale	21 st September 2022	Short course
2	Short Course in Powder Metallurgy	Dr. Vijay Thavale	21th– 24th September, 2022	Short course
3	Heat Treatment of PM parts	Dr. Vijay Thavale	9 the - 10th Dec 22	Short course
4	PM Products tool design process	NB Dhokey	8 the - 10th NOV 22	Short course
5	Metallurgy for practitioners	NB Dhokey , SP Butee	20-01-2023 to 13-01-2023	Workshop
6	Surface Engineering	NB Dhokey	10 Feb. 2023	Short course
7	AI-ML Applications in Materials and Manufacturing	NB Dhokey	1st April 2023,	Workshop
8	Addressing Sustainability in Steel Sector	NB Dhokey	28th April 2023,	Short course
9	Decarbonization Strategy for the Steel Industry	NB Dhokey	29th May 2023,	Short course
10	Decarbonization Strategy for the Steel Industry	NB Dhokey	29th May 2023,	Short course
11	“Progress and Challenges in Press&Sinte	NB Dhokey	28-29 March 2023	Workshop
