

Abhishek Mukund More

Assistant Professor,

Department of Metallurgy and Materials Science,

College of Engineering Pune (CoEP)

Email: amm.meta@coep.ac.in

Mobile: 98 22 11 7008

Phone: 020-2550 **7275**

- PhD (2018) Thesis title : '**Effect of processing on texture and microstructure in Aluminium-Lithium alloys and its consequences on mechanical properties**' at Department of Materials Engineering, Indian Institute of Science (I.I.Sc.) Bangalore.
- M.Tech. (Physical Metallurgy), from College of Engineering Pune, in 2008.
- B.E. Metallurgy (Sandwich), from College of Engineering Pune, in 2006.
Industrial training (1 year)
 - 6 months at GKN Sinter metals Ltd., Pune.
 - 6 months at John Deere India Pvt. Ltd., Pune
- Total 9.5 years of experience in
 - Academics - CoEP – 7.5 years,
 - Research - IISc. Bangalore -3.5 years,
- At present, teaching courses
Mineral Processing and Extractive Metallurgy
- Taught other courses like Structural Metallurgy, Energy Conservations and Environmental Safety, Material Science and Technology, Modeling of Engineering Materials, Failure Analysis of Engineering Materials.
- **Research Papers :**
Publications: International 1, Conference Papers: National 1.
- **Research Interest:** Light metals and alloys, Thermomechanical Processing.
