

Explanatory Note

Admission Process for First Year Engineering (B.Tech Programmes) for AY 2022-23 at COEP Technological University

❖ Admissions for UG Programs at COEP Technological University for AY-2022-23:

There is a **CHANGE** in the Intake capacity of all B.Tech (UG) programs at COEP Technological University, with effect from AY 2022-23 i.e. this year. There is **INCREASE** in INTAKE by 25% in each of the B.Tech Branches. However, the original 100% seats are reserved and available for Maharashtra State candidates (Maharashtra Domicile), exactly as per previous year, on the basis of their merit/scores in the State's MHT-CET-2022, with other eligibility criteria as decided by the State Government of Maharashtra, with no change in them when compared to the previous year. The additional (increased) 25% seats in each of the B.Tech programs are being offered to the All India Candidates, on the basis of their merit/score in the national level JEE (Mains) Examination-2022. The Maharashtra domiciled candidates, however, can compete in this quota also.

For example, the branches such as Computer Engineering or Mechanical Engineering at COEP, which had intake capacity of 120 last year, will now have $120 + 25\% \text{ of } 120 = 120 + 30 = 150$ seats from this year. The original intake of 120 will be reserved for Maharashtra candidates based on their MHCET Scores exactly like last year. The additional 30 seats will be available for All India candidates, based on their JEE (Mains) Scores, the Maharashtra candidates can also compete in this quota.

For other B.Tech branches with previous 60 intake, will have an additional intake of 15 seats (thus total intake of $60 + 15 = 75$), with these 15 seats available for All India candidates, and the original 60 seats reserved for Maharashtra candidates.

The supernumerary (over and above) quotas applicable for the students belonging to the categories of CIWG, NRI, FN, OCI, PIOs as per the rules of Government of Maharashtra and other regulatory bodies.

COEP Technological University
(A Unitary Public University of Govt. of Maharashtra)
(Formerly College of Engineering Pune)

Choice Code	Course Name	Academic Year 2021-22	ACADEMIC YEAR-2022-23			
		Sanctioned Intake 2021-22	Seats Increased for Year 2022-23 (25% Rise in Sanctioned Intake 2021-22)	Sanctioned Intake 2022-23	Seats for the candidate of Maharashtra Domicile who appeared and obtained Non-Zero CET Score (80% of Sanctioned Intake 2022-23)	Seats for the candidate who appeared and obtained Non-Zero Positive JEE Main Score (20% of Sanctioned Intake 2022-23)

Exactly like the previous year, all the UG admissions of **COEP Technological University Pune, this year also**, are being conducted under the patronage of the **Centralised Admission Process (CAP)** conducted by the Admission Regulatory Authority (ARA) of the State Government which is the **Common Entrance Test Cell (CET CELL Mumbai)** of the Government of Maharashtra. Please refer to the website: https://cetcell.mahacet.org/CAP_landing_page_2022/, for all the Rules and Regulations which will be exactly as per **CET-CELL's UG Admissions Brochure** (available on the above website).

The number of ALLOTMENT ROUNDS (by software) and COUNSELING ROUNDS (in-person) will be as per information mentioned in the CET Cell's Information Brochure .

For all cutoffs with regards to the Admissions of last year i.e. AY-2021-22, please refer this link "https://cetcell.mahacet.org/CAP_Landing_page_2021/" with COEP code as 6006.

The State Government has also issued its RESOLUTION (G.R.) dated 5th September 2022, to this effect. Interested candidates and guardians are requested to refer to the same.
