

Department of Electrical Engineering, College of Engineering, Pune

PG Program – Power Electronics and Machine Drives

Program Outcomes (POs):

PO1: Independently carry out research/investigation and development work to solve practical problems.

PO2: Write and present a substantial technical report/document.

PO3: Demonstrate a degree of mastering over the area as per the specialization of the
program.

Department of Electrical Engineering, College of Engineering, Pune

PG Program – Power Electronics and Machine Drives

Program Specific Objectives (PSOs):

PO4: Design and analyze electrical machine required for various Applications

PO5: Design and analyze electrical Machine drive required to various applications

PO6: Select, Configure & use appropriate modern tool to solve and analyze electrical Machine drive system
