Parents of Current UG and PG students and Industry Representatives and
Representatives and personnel from various Industries.

Civil Engineering Department organizes Civil Engineering Alumni, Industry and Parent Meet every year. This year it is scheduled on Saturday, 28th October 2017, along with Open Industry day 2017 followed by Industry Advisory Board (IAB) meeting.

Objectives :

1. To have common Platform for interaction within Civil Engineering Alumni, industry representatives and Parents of current UG and PG Civil Engineering students.
2. To review the academic development of the department.
3. To discuss the possible areas of improvement in academic domain like curriculum, progress of students, facilities for the development of students, suggestions from Alumni, Industry and Parents.
4. To create awareness among the parents regarding progress and overall development of the students and to address concerns of parents.
5. To identify areas for further development of the department with the support from Alumni, Industry and Parents.
6. To present selected posters based on the research studies of UG and PG students (Open Industry Day).
