## ABOUT COEP

Established in 1854, College of Engineering Pune(COEP) has a glorious history of excellence in engineering education. COEP has witnessed many notable alumni like, Bharat Ratna Sir M. Visvesvaraya, Prof. Thomas Kailath and Dr. C.K.N Patel (both decorated with coveted IEEE Medal Of Honor) and scores of others. COEP was granted autonomy in the year 2003. Today, it continues to be a role model for technical institutes of India. The hallmark of COEP is its strong and widespread alumni network, support of the industry and companionship that the institute shares with several foreign universities. COEP is consistently ranked amongst the top 20 technical institutes in India.

## DEPARTMENT OF COMPUTER ENGINEERING AND IT

Established in the year 1992, the Department of Computer Engineering and Information Technology is one of the youngest departments in the institute. The department is also a recognized research centre under University of Pune for its PhD program. The department boasts of a highly qualified faculty who perform research according to the needs of the society and then teach the students. It promotes open source software development and its student's have been closely involved with such development projects. The students of this department have brought several laurels to this institute by actively participating and winning several technical competitions of international stature. Needless to mention, the placement records for the department have been nothing short of magnificent having students placed in renowned companies in India as well as out of India.

## ABOUT COEP CSI STUDENT CHAPTER
