1. Rankings are based on 'objective' data and 'perceptual survey' data  
 2. Only those colleges which submitted their objective data have been ranked. In addition, due to the lockdown, few premier engineering colleges (IIT-Bombay, IIT-Kharagpur) could not submit their data.  
 Hence, these colleges were ranked based on the data submitted by them the previous year and current publicly available data.  
 3. Only those colleges which fulfilled the following criteria were considered eligible for participation:  
 i. Minimum three batches passed out  
 ii. Offering full time undergraduate (UG) programme  
 4. All scores have been rounded off to one decimal place. This may result in rounding off errors while adding the parameter-wise score  
 5. Those colleges not ranked during perceptual survey have got 0 marks in perceptual score
