

COEP honoured with the "Best industry institute interaction award in Mechanical Engineering" by AICTE- CII.

COEP has been awarded the “Best industry institute interaction award” in Mechanical Engineering for 2013 as per the results of the survey of Industry linked Engineering institutes undertaken jointly by the All India Council for Technical Education (AICTE) and the Confederation of Indian Industry (CII) this year.

The institute had won the award last year too.

The award ceremony was held on 7th November 2013 in Delhi and the awards were given at the hands of Hon'ble Minister Shri Kapil Sibal.

The survey was conducted to showcase the best practices of industry partnerships across AICTE approved engineering institutes in basic streams like chemical, civil, computer and IT, electrical, electronics and communication and mechanical engineering. The shortlisted institutes were actually visited by a team comprising of AICTE and CII representatives and their feedback was analyzed to arrive at the final winners.
