Department of Civil Engineering

Bulletin April – June 2019

Message from HOD

It is always said that creativity has no limit, being true to this statement it gives me an immense pleasure to introduce a great more.

COEP has always been profound in the field of engineering and technology, contributing in many aspects to national level growth, thus carrying a great name at national level. Continuing the legacy, civil engineering section has created its distinctive identity by giving enormous contribution in the field of civil engineering and has always outshined remarkably. It is my honor to represent as HOD of Civil Engineering Department and I extend my best wishes to the faculty and students.

About Us

The 1854 established Department of Civil Engineering has set up a great tradition of producing distinguished engineers such as Bharat Ratna late Sir. M. Visvesvarayya. Even after completing its sesquicentennial anniversary, the department has kept updating to well-equipped laboratories and research. The department is proud to have a Plumbing laboratory which is one of its kinds in an engineering institute, in addition to the conventional laboratories of Surveying, Geotechnical, Environmental, Transport, Fluid Mechanics, Strength of Materials, Concrete Technology etc. The faculty believes in high quality teaching and is very active in projects, conferences and research papers. The department offers consultancy in various fields of Civil engineering to reputed government and private sectors. Recently Ph.D. course in Civil engineering is also offered.

Faculty Achievements

Prof. Dr. M. S. Ranadive has appointed as subject expert on the local staff selection committee on AISSMS College of Engineering Pune.

Prof. M. U. Khobragade organized one-week AICTE short term course on 'Chemistry & Engineering Aspects of Water Remediation' from 01/05/2019 to 6/05/19.

Dr. (Mrs.) H K. Munot organized one-week workshop on Industrial Civil & structural Design leveraging Software (Tekla) supported by AICTE and Rajon Consultancy & Mgt and Team from 27 May 2019 to 1st June 2019.

Dr. (Mrs.) R. S. Dalvi attended one-week GIAN course on 'Road Safety Engineering' on 24th to 28th June, 2019 at IIT Guwahati.

Dr. (Mrs.) G. S. Vyas attended one-week GIAN course on 'Road Safety Engineering' on 24th to 28th June, 2019 at IIT Guwahati.

Prof. Dr. S. S. Bhosale published international Journal Paper 'E - Waste plastic powder modified bitumen: Rheological properties and performance study of bituminous concrete' in Taylor and Francis, Journal of Road Materials and Pavement.

Prof. Dr. S. S. Bhosale has worked as judge for Hackathon 2019 at IISER Pune and currently working as Expert on High Rise structure of Pune Municipal Corporation.

Prof. Dr. M. S. Ranadive has appointed as a member of Board of studies of SGITS Indore to modify in the scheme of UG program as per AICTE mandate.

Prof. Dr. M. S. Ranadive has appointed as member of committee nominated by AICTE Delhi to do Inspection of various Engineering Institute under AICTE also has appointed as Chairmen of committee to solve the issues of Employees in College of Engineering Pune.

CIVIL ENGINEERING DEPARTMENT

Bulletin April – June 2019

Students' Achievements

- ✚ Following students of the Civil Engineering Department are selected in Soil and Water Conservation Department of Government of Maharashtra as a Junior Engineer.
1) Ketan Sakhare 2) Nikhil Suryavanshi 3) Vaibhav Patil 4) Ankita Akhare
- ✚ M.Tech. Construction Management students Pooja Patil and Rutuja Kagne have completed the Summer Research Fellowship Program (SRFP) at IIT Delhi.
- ✚ Conference paper of Rohit Bodhgire on the topic 'Sustainable construction by CTB' is accepted in the Springer Proceeding at NIT Warangal.
- ✚ Conference Paper of Dhairyasheel Buva is accepted in 'Next Frontiers in Civil Engineering: Sustainable and Resilient Infrastructure' IIT Bombay.
- ✚ Conference papers of the following students are accepted in 'Sustainable Infrastructure Development and Management' at VNIT Nagpur:
1)Anmol Okate 2) Badihaveli Keerti Subhash 3)Bodhgire Rohit Shivram 4)Mahajan Kiran Vijay 5)Kolte Pratik Sunil 6)Rasane Neelanjali Vijay 7)Shinde Abhijit B. 8)Yadav Sanjay Rajendra 9) Omkar Sugade
- ✚ Conference papers of following students are accepted in '*International conference of Geotechnical and Geoenvironmental Engineering*' MNNIT Allahabad: 1) Kurkute Rahul 2) Shair Shah
- ✚ Conference papers of the following students are accepted in 'Indian Construction Scenario Insight'19 at MIT-ADT Pune: 1) Gaikwad Bhargaw Bhimrao 2) Padhye Pratik Rajendra

News

- ✚ Construction Management specialization and Environment & Water resource Engineering specialization of Civil Engineering Department are accredited for the academic years 2019-20 to 2024-25 by National Board of Accreditation (NBA) in June 2019.

Upcoming Events

- ✚ The Department of Civil Engineering is organizing a TEQIP III Sponsored National Conference on "Advances in Construction Management, during 6-7th March 2020"
